

## **Pusa Krishi: Empowering Indian Agricultural Innovation**

**We were established as an incubator under ICAR-IARI in 2014. Our role expanded into a meta-incubator for agriculture under the Ministry of Agriculture & Farmers' Welfare in 2018. Since then, we've been nurturing & fostering agri innovations as well as agri incubators. We work for nurturing the innovations of entrepreneurs and agri-startups through financial, technological, and legal mentoring.**

This online webinar will be useful for inventors, entrepreneurs, and those who have a beginning to intermediate knowledge of patents and would like to learn more about IPR.

Join this webinar to learn more about the recent trends and implications of different domains of IPR and its implications on our research and business.
